Unfundraiser

You may be wondering “What is an Unfundraiser?” This is an opportunity for you to contribute to our Parent Advisory Committee without feeling obligated to buy or sell anything, or commit your time in any way.

In the past, parent contribution dollars have allowed us to make a difference at Einstein in a variety of ways. The teachers’ lounge was updated, auditorium stage curtains were replaced, and the courtyard patio and benches were purchased. We also help pay for public speakers for the benefit of the student body. Much of the funds go directly back to the kids’ classrooms and enhanced learning. There are a host of supporting activities funded by the Parent Advisory Committee monies which benefit the staff and student body.

This year, with your help, we hope to continue our efforts of supporting our student activities and teacher’s needs.

There are a number of advantages to making a contribution to the Einstein Parent Advisory Committee Unfundraiser:

- There is no door-to-door selling. There is no obligation for student to sell or for parents to buy.
- **Your donation is tax deductible** and receipts are provided upon request.
- All proceeds go directly to your Parent Advisory Committee! There is no third party involvement.

To participate, simply write a check made payable to Einstein Middle School in the amount that you choose to contribute, and bring it to Registration in August. Contribution will also be accepted at any time throughout the school year.

This is our only vehicle for Parent Advisory Committee fundraising – we appreciate your contributions!!
