Growing Today, Preparing for Tomorrow

August 2023

A Monthly Parent Newsletter

No. 1

Our mission at Einstein Middle School is to empower each student to become a respectful, caring, responsible person by providing a challenging academic program which promotes success, fosters a life-long love of learning and encourages community service.

Dear Parents and Guardians,

We hope this newsletter finds you in good health and high spirits. As we move into August, we have exciting updates and important information to share with you. Our school community continues to thrive and we are grateful for your continued support and involvement in your child's education. Together, we will make this a remarkable academic year for our students.

In preparation for adding 6th grade to Einstein during the 2024-2025 school year, construction started June 5th with changes to our main office area. The new wing of the building is well on its way with the foundation being poured this week. Construction of our commons/cafeteria will take place soon and this new addition will be located in our main parking lot, behind the band room. Construction will be on-going the rest of the school year.

This newsletter will provide a wealth of information to assist you with our August registration process along with preparing for the start of the new school year. If you are interested in registering on-line please visit this site:

<http://www.aasd.k12.wi.us>

As in the past, we will provide an online version of our **Einstein Events** monthly newsletter for you to access at your leisure throughout the school year.

The Einstein Events monthly newsletter will provide calendar information about upcoming events, classroom instructional information and planning, Parent Advisory Committee (PAC) news, menu choices for breakfast and lunch, co-curricular events schedules, etc. I will be sure to use our email, school website and facebook page to notify families of the posting of our Einstein Events each and every month.

In this first August newsletter, we are including the "Calendar at a Glance", a user-friendly one page calendar listing many of the events and activities.

This is the first year that Einstein's registration will occur on-line vs. in person. During the on-line registration process, parents will be able to pay sport fees, music polo fee, add money to their food service account and update their personal information in Infinite Campus.

Here are some important dates:

- Student schedules will be available in Infinite Campus on August 14
- On August 14th, we will be sending out a link of the Einstein Middle School on-line registration (this is different from the Infinite Campus information)
- August 14 and 21st from 9am-2pm: Eagle Leaders will be in the building to assist students with locker combinations and schedules
- Open House is August 28 from 5:30-7:30pm
- Picture Day is on Sept. 13 during school hours

You are encouraged to visit our Einstein website (aasd.k12.wi.us) or our Facebook page that has information about our school, staff, and updated news or call our main office at 852-5420 with any questions you may have. We are excited for another great school year!

Enjoy the rest of your summer and I look forward to seeing you soon.

Respectfully,

David Mueller

Einstein Middle School, 324 E. Florida Avenue, Appleton, WI 54911 ~ (920)852-5420

David B. Mueller, Principal

Joe Bernhardt, Associate Principal
